CARBON NEUTRALITY CHALLENGE PROPAGATION EVENT

**Magoon Research Station -
Greenhouse # G12
9am - Until Completed**

Please join us this upcoming Saturday, May 11th, as we continue to propagate the next round of native trees for our 10,000 tree Carbon Neutrality Challenge planting event. Parking can be found on the street and in the surrounding area. The address is 2717 Woodlawn Drive, Honolulu, HI, 96822.

Please RSVP to The Outdoor Circle's Programs Director, Myles Ritchie, at myles@outdoorcircle.org
