7:30 PM Showtime  
for Main Attractions

Enjoy the sunset and  
pre-show entertainment from 6 PM,  
with light appetizers from Chef Chai  
until 7 PM.

# Very Special Details About The Concert Series

## TRANSPORTATION

Begin enjoying the evening from the moment you leave the car behind and relax on board our courtesy shuttle.

The drive along Tantalus Mountain is one of Oahu's most scenic drives with numerous curves through the forest. We highly encourage everyone to take advantage of the convenient, free shuttle service that will run throughout the evening from Central Union Church to the Nutridge Estate.

Multiple shuttles will run continuously until 10 PM.

We understand that personal situations may require some guests to drive their own vehicles, therefore we are providing limited valet service at the venue.

Valet service at the concert venue is available for an additional cost of \$25.00 per car. You must purchase the valet service on Eventbrite when you buy your concert tickets.

Valet service closes at 9:50 PM.

Please be prepared for a wait if you elect to use the valet service as there is only one drive in and out of the Estate. Due to the limited parking at the venue, we encourage you to take advantage of the free shuttle service.

## DRESS ATTIRE

The Nutridge Estate and Concert Hall is situated outdoors on a mountain-side. Flat shoes and a light jacket would be wise attire. We hope all guests will walk the grounds, especially to find a special place to enjoy sunset before 7:30 PM show time.

This is a rain or shine series as the concert area is under cover.

## OUTSIDE ALCOHOLIC BEVERAGES AND FOOD

Please note that this is state property and outside alcoholic beverages are not allowed. A no-host bar will be available.

## TAX DEDUCTIBLE DONATION

The Outdoor Circle is a 501c3 non-profit organization. You will receive a confirmation email receipt stating that a \$50 portion of the ticket price is deductible for tax purposes.
